

SAPPI : European Manufacturing Trainee

Sappi Fine Paper Europe with Head Office in Brussels:

We are a division of Sappi Limited, the world's leading producer of coated woodfree paper with paper mills on four continents and sales offices around the globe. The mills of Sappi Fine Paper Europe are located in Maastricht and Nijmegen in the Netherlands, Lanaken in Belgium, Alfeld, Ebingen and Stockstadt in Germany, Gratkorn in Austria, Biberist in Switzerland and Kirkniemi and Kangas in Finland. Sixteen sales offices located around Europe bring our products and services to the graphic industry. Our team consists of more than 7,000 people in Europe and almost 17,000 worldwide.

Purpose of the job:

The two year European Manufacturing Trainee Programme has the purpose to grow our own manufacturing talents. It consists of two or more multidisciplinary assignments which will be situated in two different paper production locations in Europe. Together with other trainees you will participate in several workshops concerning different topics in management and presentations by all business directors. To support you, coaching will be provided on an organizational level as well as on an individual development level.

Your profile:

- You have at least a Master's degree in Engineering (Paper, Chemical, Electrical, Mechanical) with a maximum of two years' working experience.
- You speak and write fluent English and speak at least one other European language, Dutch, German and/or Finnish.
- You have strong interpersonal skills and a talent for leadership.
- You are driven and have a hands-on personality.
- You have a large capacity to adapt quickly and are looking for new challenges. You are flexible, mobile and willing to travel and work abroad (European countries). Working in a multicultural environment attracts you.

An attractive remuneration package and interesting European career opportunities are offered.
