

English and Maths teacher

Hyria Education Ltd is an institute providing vocational training for both youth and adults. We offer high-quality training services for customer companies.

We are now looking for reliable, professional and conscientious teachers of English and/or Maths to fullfill our trainer network. Hyria will choose trainers from the network for hourly-paid work in Northern and Central Uusimaa as well as in the Helsinki region and other parts of Finland.

Your job will require pedagogical skills / education in teaching (TOEFL, TESOL, TEFL etc) and initiative and good interaction skills.

Those with experience in teaching English in an adult education environment will be placed first. We also expect you to be familiar with the business world and preferably with the local government, as well.

Our first priority is to find a trainer with Masters degree in Speech Communication, English Composition or Maths to be part of our BC program (Broward College Associate of Arts program, read ! more about it: [www.hyria.fi](http://www.hyria.fi)).

If this sounds like your job, please e-mail your application and CV with your photo: [tiina.lahti@hyria.fi](mailto:tiina.lahti@hyria.fi).
