

EVLI BANK PLC

Evli Bank Plc is an independent investment and wealth management bank which provides wealth management, equity and derivatives brokerage, investment research and corporate finance services. The company's clients are institutions, companies and high net worth private individuals. Evli is owned mainly by its employees and founders.

Evli was established in 1985, and has since then been a pioneer in the rapidly developing capital markets. The company's growth and success are based on the strong expertise of its employees and their ability, gained through experience, to seek out solutions that provide added value for their clients. Evli's objective is to build long-term client relationships based on trust.

Evli has offices in Finland, Sweden, Estonia, Lithuania and Russia and employs approximately 280 people. On the basis of its sound local and market knowledge, the company offers its clients individualized, high-quality services and solutions and effectively executes their orders.

www.evli.com

Evli Bank's Corporate Finance unit offers financial advisory services in mergers and acquisitions and arranges securities offerings.
