

# STUDY MODULE IN CORPORATE RESPONSIBILITY (CR) 2023-2025

Hanken School of Economics, Helsinki

# Why apply?

The study module provides participants with capacity and knowledge to deal with issues, impacts and risks concerning stakeholder relations, environmental degradation, human rights, gender aspects, corporate governance, ethical conduct and other sustainability

issues. The minimum credits needed to complete the study module is 25 ECTS within a period of maximum two years. The module can be taken as a stand-alone module if you are not pursuing any degree or as a minor by Hanken students or students at other institutes.

Opportunity to study CR irrespective of educational background free of charge.

Cross-disciplinary approach to CR combining courses from different subjects.

Provides opportunity to network and forge lifelong professional relationships.

Provides local and global context to CR issues.

In-depth understanding of CR issues from various stakeholder perspectives.

Certificate of completion after obtaining minimum 25 ECTS in maximum 2 years.

“ Hanken’s Corporate Responsibility module is a gem. The broad and insightful course offering has been useful for me in transitioning from a legal role to sustainability leadership. I would recommend the CR Module to anyone interested in corporate responsibility and sustainability. ”

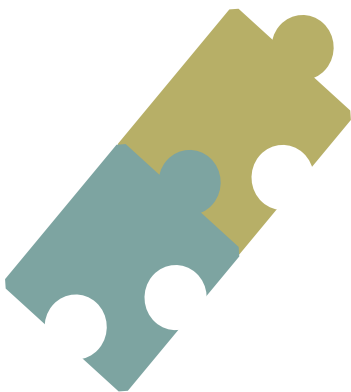

Michael Ristaniemi, CR module participant 2019-2021

“ This study module is far more insightful than I expected. It not only helps me with my future research topic in Corporate Social Responsibility but also encourages me to think critically and creatively after every guest lecture from various industries. ”

Tham Phuy, CR module participant 2020-2022

Interested? To apply you need

- Interest in Corporate Responsibility and Sustainability
- Finnish residency
