

# Survey to BSc & MSc students regarding their well-being and studies during the Autumn term

**Svenska handelshögskolan**

**January, 2024**

**Survey carried out by Annie Advisor**

# The survey

## Recipients:

A total of 2280 students across BSc and MSc degrees

## Questions:

5 statements answered on a Likert scale  
(1 = I totally disagree - 5 = I totally agree)

1 question about wanting to talk to the study coach  
(Yes/No)

Option to give an open comment.

Survey sent in Swedish or English, depending on degree language.

**30,7% of recipients answered, a total of 700 answers.**

Dear student!

We hope that you could answer this short survey about your studies and your well-being.

Thank you for your reply!

Hanken

The first statement (of 6):

I have been satisfied with the teaching at Hanken this autumn.

Please answer with a number between 1 and 5.

1 = I totally disagree

5 = I totally agree

0 = skip question

*The message received by students.*
