*Is Hobo a boutique hotel in Kluuvikatu in central Helsinki, with unique design and a vibrant social scene? Yes, it is. But it's also far more than that. Hobo is our idea of community. A place where we live, work, create, learn and have fun together. We believe that traveling should be more than just a place to stay. It should be an immersive experience; something that connects you with the city and its culture, its local community. At Hobo, this philosophy has been our guiding light since day 1. This hotel was founded with the goal of being a home for the young at heart and the constantly curious. A conceptual hotel that retains its authenticity and remembers the importance of genuine hospitality.*
