

THE STUDENT UNION FEE FOR ACADEMIC YEAR 2021-2022

All degree students in Finland are by law members of the Student Union of their respective university. Membership entitles students to numerous benefits, such as **discounts on student meals, travels, cultural events and sports facilities**. Hanken also extends the Student Union membership to the exchange students. Therefore, you must pay the membership fee for the semester(s) before we can enroll you as an exchange student at Hanken.

What to do?

- Pay the required fee from abroad (amount and instructions at the bottom of this page)
- Pay in **your bank or online**. If you pay **online**, please remember **to save the receipt of the payment (scan or screenshot)**. When paying remember to write in the message field **your full name and which semester(s)** you are paying for. We do not accept checks!
- Pay the membership fee as soon as you receive the Acceptance letter **by the deadline** given in the checklist you will get together with the Acceptance letter.
- Upload a scan of the receipt of the payment in the Mobility-Online. Without the receipt of the Student Union fee payment, Hanken cannot move on with your enrollment!

As a member of the Student Union you can order the Student card or use the Student application on your smartphone. The student card is issued by an external agency, Frank, not by Hanken. You must apply directly to Frank. Find more information on the student card (implies a charge) and the various discounts the service offers, and how to apply at www.frank.fi
