

Funding database Research Professional

What is Research Professional?

- Funding database
- Search for funding opportunities among thousands of international and national open calls
- Set up personalized email alerts to be notified about any new funding opportunities that match your criteria

The screenshot displays the Research Professional website. The top navigation bar includes the site name, user information (Hanken School of Economics, Maria Sandberg), and links for email alerts and logging out. A secondary menu lists various sections like News, Funding, Awards, Conferences, and more. The main content area is divided into several sections: a large 'Opportunities' section with a search bar and links to email alerts and search tips; a 'News' section featuring a headline about world leaders and pandemic research ties; three columns of news snippets under 'Universities' and 'Germany'; and a 'Funding searches' section at the bottom. On the right side, there is a 'My Profile' section for Maria Sandberg, an 'Edition' dropdown set to 'Europe edition', a 'Funding' section with a headline about Horizon Europe, a 'Contact Support' button, and a 'Spring offer' banner for a 10% discount on advertisements, valid until March 31, 2021. A decorative floral border is at the bottom of the right sidebar.

Start page People Expressions of Interest

Welcome to the **Hanken School of Economics** start page on Research Professional.

Research Professional makes browsing for research funding simple. You can search for funding opportunities among thousands of international and national open calls and set up personalized email alerts to be notified about any new funding opportunities that match your criteria.

Get started with shared resources

To get started, you can use the shared resources that have been created for Hanken researchers by Hanken's Research Liaison Office. To browse funding calls, you can use the list of searches saved under Funding resources on the Hanken start page.

Similar resources have been created for each of Hanken's Areas of Strength (AoS) and Areas of High Potential (AoHP). You can join workgroups for AoS and AoHP on the right: click on the group that is relevant to you and click on "Join this group". On the start page of each workgroup you can find saved searches that have been created with the research interests of the group in mind.

To receive weekly email alerts about new funding opportunities, click on the search(es) that best match your needs, click on "Save", and choose "Save and alert" to create an email alert.

Search for funding

If you want to make personalized searches, you can easily create, save, and set up email alerts for your own searches. The [Quick start guide](#) walks you through the steps.

Conferences and Papers

The database consists of detailed, comprehensive information about calls for papers with deadlines regarding forthcoming conferences and special issues of scholarly journals. These calls for papers are issued by professional bodies, journal editors, and other conference organizers in all disciplines and from all over the world. Thus, the database serves as an alerting service for researchers, scholars, and students seeking opportunities to present and publish their research.

Helpful resources

- For more instructions on how to use Research Professional, see the help resources listed on the Hanken start page
- More help resources are available by clicking “Help” in the menu
- Research Professional on Hanken’s web:
 - www.hanken.fi -> Research -> Research Funding -> Funding database Research Professional

The screenshot shows the Research Professional website interface. At the top, the navigation bar includes 'Research Professional', 'Hanken School of Economics', 'Maria Sandberg', 'Email alerts', and 'Log Out'. Below this, a secondary menu has 'News', 'Funding', 'Awards', 'Conferences', 'Our Institution', and 'Help' (circled in red). To the right of 'Help' are radio buttons for 'Articles' and 'Opportunities', a search bar, and a 'Go' button.

The main header area features the Hanken School of Economics logo and name, along with administrators' names: Maria Sandberg, Luke George, Jaana Kokkonen, and Malin Wikstedt. Below this is a 'Leave this group' button and an 'Edit' button next to a dropdown menu.

A secondary navigation bar contains 'Start page' (circled in red), 'People', and 'Expressions of Interest'.

The main content area begins with a welcome message and a brief overview of the site's purpose. It then provides instructions on how to get started with shared resources, including a link to the 'Quick start guide'. Below this, there is a section for 'Search for funding' and another for 'News, awards, and more'.

The 'Need help?' section (circled in red) provides links to various resources: 'Quick start guide', 'User guide', and 'Video introductions'. The 'Quick start guide' is described as a short guide that will walk you through your first steps with the site. The 'User guide' is described as a guide that provides an overview of the basic functions of the site. The 'Video introductions' are described as a collection of short (2-5 minute) videos that introduces you to the basic functions of the site.

On the right side of the page, there is a 'Our Hierarchy' section listing various research areas and departments. Below this is a 'My Groups' section. At the bottom right, there is a 'Contact Support' button and a 'Apply for the PASIFIC Programme!' section with details about the fellowship and a deadline.

Contact the Research Liaison Office for help

- If you need any help getting started with Research Professional, contact the Research Liaison Office: research@hanken.fi
