Hanken Corporate Partners

Hanken's mentorship programme

- Hanken's mentorship programme offers personal development possibilities via monthly meetings with an experienced alumni mentor
- You can apply to the mentorship programme starting in Autumn 2022 in late Spring 2022
- The programme lasts for the whole academic year and on top of the individual meetings there are some common events for all mentors and mentees.

“After all, good mentorship is not about offering solutions but helping the mentees find the solutions themselves.”

– Mikael Still, 14 years of mentorship

Internship Grants

- You can choose to include a 5 or 10 ECTS internship to your degree
- 5 ECTS course equals to 8 weeks of full time work, 10 ECTS to 16 weeks. You can also do an equal amount of hours as a part-time work.
- Internship grants are available for internships in May-August only. Application period is open twice a year.
- You can look for an internship at Hanken's job board JobTeaser
